

I FEEL THAT CODE REQUIRMENT IS COSTING PUBLIC SERVICE MANY RADIO OPERATORS IN THE EMERGENCY COMMUNICATIONS AREA. I AM WORKING VERY HARD GETTING A AMATUER RADIO STATION UP AND OPERATIONAL AT THE LOCAL VA MEDIC CENTER. BUT BECAUSE OF THE CODE REQUIREMENT I CAN NOT OPERATE ON THE H F EQUIPMENT AT THE STATION SO I CAN MOT OPERATE AS NCS ON THIS EQUIPMENT. THE EMERGENCY NET USED WITH THESE STATIONS REQUIRE H F TO KEEP IN CONTACT WITH EACH OTHER. SO I AGREE WITH THE ARRL RESTRUCTING CONCEPT.  
THANKS LINDY PATTERSON KD5EUB
